FAITHFUL NAVIGATOR'S REPORT

Sir Knights,

I hope that all of you are okay. Hurricane Harvey was one of the most devastating storms to ever hit North America. Even if you were not individually affected, you likely know someone who suffered flooding, wind damage, or a variety of other results of a natural disaster.

As the Knights of Columbus, we perpetually stand ready to serve, and this situation is no different. Councils across the Archdiocese have stepped up, opening shelters and donation centers at functional churches, organizing cleanup crews to assist brother knights whose houses have been damaged, and helping to restore churches that were damaged.

Please check in with us at your earliest convenience to let us know how you are doing. If you are okay, we want to know. If you need help, we want to be able to provide it..

In Christ,
 SK Clint Mendonca, Faithful Navigator

NOTES ON THE NEW UNIFORM

By now, most if not all of you have heard that the Supreme Knight introduced a new uniform for the Fourth Degree at the Supreme Convention. A lot has been said about the new outfit and the transition away from our current regalia, but we are still receiving information from Supreme about the changes.

We understand that for many of us, this change is surprising and unfortunate, as it is a new set of expenses right after you may have just purchased your cape, chapeaux, etc. For now, please plan on attending any turn outs in the traditional regalia.

As of right now, the uniform is only available on www.KnightsGear.com. Supreme is offering a 25% discount on the cost of the uniform for anyone who purchases it by September 30, 2017. After that point, the uniform will remain at full price. If you purchased the traditional regalia between May 1, 2017 and August 1, 2017, you can submit your receipt to regaliacredit@kofc.org and they will provide you with details about how to obtain a \$200 credit on your purchase.

We will make sure to relay new information as it is made available to us. As our District Master has noted, we are not defined by what we wear, but rather by the work that we do.
