FAITHFUL NAVIGATOR'S REPORT

Sir Knights,

The fraternal year is in full swing and we are about to have our first Fourth Degree Exemplification this month. While there have been many of us expressing discontent about some of the changes that are being implemented by Supreme, I hope that we all reserve some time to attend the Exemplification and remind ourselves of exactly why we are Sir Knights and what great work we do beyond putting on regalia or a uniform.

Our District Master has made it clear that he will be maximizing opportunities for those of us in the traditional regalia to "wear out" our attire before June 30. He will be putting out as many notices for district turnouts as possible, and has relaxed the rules to allow social attire to participate in District Turnouts as well. Let's put our gear to good use while we still can!

In Christ,

SK Clint Mendonca, Faithful Navigator

A NOTE ON THE CHRISTMAS RAFFLE

Brothers, it has been a very rough few months for many of us with Hurricane Harvey wreaking havoc across the Houston area. This will be one of the hardest raffles we've ever had, as we'll be asking more of individuals who have already given so much.

Some will be hesitant to donate more, but we need to keep in mind that this is our only fundraiser and that we still need to conduct it to keep our organization solvent. We also need to remind those prospective buyers that winning this raffle could provide a nice influx of cash just before Christmas, and is helping to support an organization that will keep serving the local community long after the other organizations have forgotten about Hurricane Harvey and moved on.

The officers of this assembly challenge every Sir Knight to purchase or sell the two books mailed to you, and to help out after the Sunday masses when we visit your parish. It is only through your help and support that we will continue to be able to do the good work of the order.
