ASSEMBLY # 1094

FAITHFUL NAVIGATOR'S REPORT

Worthy Sir Knights, well confirmation season is now behind us and I wanted to thank all the SK's that participated in the turnouts we had. It was a very busy season with lots of commitments and I know how hard it was to make some of them but we did and that is what counts. So again a big THANK YOU from myself and our Commanders!

We are now 30 days into our new fraternal year and a lot has changed and taken place. For some, change can be hard and even upsetting, however to grow change is inevitable. Our new officers are getting into their roles so please be patient with them. Best thing to do is ask a question of them as this is the best way for them to learn. Some new and exciting changes with our website and new Facebook page will help broadcast information and so much more. As you know, we are an Assembly where our average age of our members is in the high 60's. So as you can imagine we need to recruit and recruit from our councils and church's. The new website will help us do just that. As younger men use the internet more frequently it will become a go to spot to learn more about our great organization and how to join. All you have to do it point them our way! That's right it is still up to you, as a member of the KofC, to talk about and share with others the benefits and honor of being called a Sir Knight. Use the website to help recruit, that is what it is there for.

Don't forget to "**friend**" request our new Facebook page as well. Only SK's that are active members with our Assembly will be given access. This is a great way to share stories, pictures, news as well as just plain old communication with fellow brother Knights!

What do you think of our new newsletter? Your thoughts count so please feel free to share. We are using this new design as this will save our Assembly approximately \$1000 in printing costs per year. A cost saving we so desperately need. Our hope is that this new format will be more interesting to you and provide you with so much more information. Please we have added many new sections and reports from more officers and committee members. However, one thing is lacking and that is sponsorships. We need ads to help offset postage and other costs so please feel free to recommend a business and or place your own classified ad. We cannot continue without support!

Fraternally Yours Shawn Reichhardt - Faithful Navigator

FROM THE ADMIRAL'S DESK

Sir Knights,

With the average age of our Sir Knights rising each year and their ability to attend a turnout is declining, we need to recruit new Sir Knights for our assembly. You hear this all the time, but here's something a little different. The best way for our assembly to recruit new members is by attending turnouts. We need to let our 3rd Degree Knight, their spouses, and their kids see us walking down the middle aisle of our churches during masses. You've got to be present at your church's social events and wear your 4th Degree shirts, caps, and/or our assembly's name tags. We've got to publicize that we are 4th Degree Sir Knights, and we're proud of it. Take the initiative and place articles in your Sunday bulletins about how we're trying to recruit new Sir Knights. Bring it up at your Council meetings. You can't expect our 3rd degree brothers to volunteer to become Sir Knights unless you sell it to them and their families. Be active. Let them know that your council and your parish have Sir Knights, and we want them to join.

Faithful Admiral

Ten Things to Know about Identity Theft and Your Taxes

Learning you are a victim of identity theft can be a stressful event. Identity theft is also a challenge to businesses, organizations and government agencies, including the IRS. Tax-related identity theft occurs when someone uses your stolen Social Security number to file a tax return claiming a fraudulent refund.

Many times, you may not be aware that someone has stolen your identity. The IRS may be the first to let you know you're a victim of ID theft after you try to file your taxes.

The IRS combats tax-related identity theft with a strategy of prevention, detection and victim assistance. The IRS is making progress against this crime and it remains one of the agency's highest priorities.

Here are ten things to know about ID Theft:

- 1. Protect your Records.** Do not carry your Social Security card or other documents with your SSN on them. Only provide your SSN if it's necessary and you know the person requesting it. [Protect your personal information](#) at home and protect your computers with anti-spam and anti-virus software. Routinely change passwords for Internet accounts.
- 2. Don't Fall for Scams.** The IRS will not call you to demand immediate payment, nor will it call about taxes owed without first mailing you a bill. [Beware of threatening phone calls](#) from someone claiming to be from the IRS. If you have no reason to believe you owe taxes, report the incident to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484.
- 3. Report ID Theft to Law Enforcement.** If your SSN was compromised and you think you may be the victim of tax-related ID theft, file a police report. You can also file a report with the Federal Trade Commission using the FTC Complaint Assistant. It's also important to contact one of the three credit bureaus so they can place a freeze on your account.
- 4. Complete an IRS Form 14039 Identity Theft Affidavit.** Once you've filed a police report, file an [IRS Form 14039 Identity Theft Affidavit](#). Print the form and mail or fax it according to the instructions. Continue to pay your taxes and file your tax return, even if you must do so by paper. stopped more than \$15 billion of fraudulent refunds, including those related to identity theft. Additionally, as the IRS improves its processing filters, the agency has also been able to halt more suspicious returns before they are processed.

ON BEHALF OF OUR FAITHFUL PURSER

CONTINUED

So far this year, new fraud filters stopped about 3 million suspicious returns for review, an increase of more than 700,000 from the year before.

- 5. Understand IRS Notices.** Once the IRS verifies a taxpayer's identity, the agency will mail a particular letter to the taxpayer. The notice says that the IRS is monitoring the taxpayer's account. Some notices may contain a unique Identity Protection Personal Identification Number (IP PIN) for tax filing purposes.
 - 6. IP PINs.** If a taxpayer reports that they are a victim of ID theft or the IRS identifies a taxpayer as being a victim, they will be issued an [IP PIN](#). The IP PIN is a unique six-digit number that a victim of ID theft uses to file a tax return. In 2014, the IRS launched an [IP PIN Pilot program](#). The program offers residents of Florida, Georgia and Washington, D.C., the opportunity to apply for an IP PIN, due to high levels of tax-related identity theft there.
 - 7. Data Breaches.** If you learn about a [data breach](#) that may have compromised your personal information, keep in mind not every data breach results in identity theft. Further, not every identity theft case involves taxes. Make sure you know what kind of information has been stolen so you can take the appropriate steps before contacting the IRS.
 - 8. Report Suspicious Activity.** If you suspect or know of an individual or business that is committing tax fraud, you can visit [IRS.gov](#) and follow the chart on [How to Report Suspected Tax Fraud Activity](#).
 - 9. Combating ID Theft.** Over the past few years, nearly 2,000 people were convicted in connection with refund fraud related to identity theft. The average prison sentence for identity theft-related tax refund fraud grew to 43 months in 2014 from 38 months in 2013, with the longest sentence being 27 years. During 2014, the IRS
 - 10. Service Options.** Information about tax-related identity theft is available online. We have a [special section](#) on [IRS.gov](#) devoted to identity theft and a phone number available for victims to obtain assistance. For more on this Topic, see the [Taxpayer Guide to Identity Theft](#).

We Need Your Help with Our Raffle:

If you were at our last monthly meeting, you know that we paid out more than a \$1,0000 than we took in last year. They also emphasized that the raffle is the number one source of income for our assembly. Therefore, we are asking for your help. We need to get donors to provide prizes for the raffle. If you know of any individual or business who is willing to provide a prize, please contact them and ask for their help. We can't rely on one individual to do all of the work. We need to get help from all of our Sir Knights in order to get the prizes for our raffle and to sell the tickets this fall. Contact our FA/PFN Don Payne at 713-254-4396 or our PFN Bill Florez at 713-628-7811

Update our Telephone Call List:

In order to notify our Sir Knights who either don't have Internet access or do not bother to look at the emails that we send to them, we have a telephone call list. We have approximately 35 Sir Knights on it right now. We are going to be calling these Sir Knights each week that we have a turnout or meeting coming up. If you want to be on this telephone call list or you know some other Sir Knight who may want to be on the list, please let PFN Don Payne know. Either email him at donpayne77@gmail.com or call him at 713-254-4396. We need all of our Sir Knights to participate if they are able.

VA Report from our VA Director Greg Gallardo:

A wounded Veteran, PFC. Kyle Hockenberry, who lost both his legs and arm while on patrol in Kandahar Province receives a smart home through the Orders partnership with the Gary Sinise Foundation. The K OF C's provided a \$200,000 donation to help construct the home, which is custom built to accommodate a wheelchair and the special challenges that the Veteran and his wife will need.

When W.W. 1 began more than a century ago, the Knights provided enormous charitable support for those who were currently serving or had previously served with the armed forces. Service to the Military and Veterans has continued ever since. I'm proud to note that the Knights of Columbus has become the single largest volunteer service partner of the Veterans Administration, with a volunteer presence at nearly every V.A. hospital in the United States. GOD Bless America and our Military: For those who have fought for it, FREEDOM! has a taste the protected will NEVER KNOW. **SEMPER FIDELIS**
