

10/20/2017: Hi! Worthy SK's, today we lay to rest one of our very own. We do not say goodbye but rather we say THANK YOU!

Last night was the Rosary and visitation which was lead by the Knights and hosted by our own Assembly. It was great to see as many of you there and even more the ones not from our own Assembly. I know the family was very thankful.

We all have our memories of this great Sir Knight and I am sure we could all shares stories. The one thing I do know is that Bill would want each of us to continue our brotherhood and make the KofC even better. I ask each of you today please take just a minute and say THANK YOU in your own way, then say a prayer for his family in this time of sadness. The family needs to feel that no matter where we are, Bill and the family are in our thoughts and prayers.

If you did not see his obituary and the great video please use the links below and take a minute and say THANK YOU in your own time and place.

Bill you will be missed, not just for your companionship, but more for what you did to make each of us a better man! God is so lucky to have you now by his side, standing tall with all your honor showing. Love always and forever!
